Adam (45) is a kind-hearted kennel-owner. Hypersensitive and borderline depressed, he hides his existential fears from his affection-avoidant father, and lets his young assistant take advantage of his good nature.

To help combat his eco-anxiety, Adam orders a therapeutic solar lamp. Through the lamp's supplier's technical support line, he meets Tina, a radiant woman with a voice that soothes all of his worries.

This unexpected encounter changes everything:
